

AARP TAX-AIDE FOR TAX YEAR 2022

AARP volunteers will be available to prepare tax returns for **FREE** each **Monday** and **Wednesday** beginning Wednesday, **February 1** and ending Wednesday, **April 12** (excluding Monday, February 20 when the Benson Center is closed). Hours are 10AM to 2PM.

- *Taxpayers should pick up an intake sheet and fill it out **COMPLETELY** before they come in for tax preparation. If you are unsure of any answer, put a question mark by the question. Intake sheets are available upon request at the front desk.*

- While AARP will continue to welcome walk-ins, they are also going to schedule a limited number of appointments up to two weeks in advance. **Taxpayers with appointments (and who have completed the intake sheet beforehand and who have all their required tax information and ID's for their family) will receive priority over walk-ins.** Taxpayers who know they have more than one tax return to prepare should make separate appointments for each return.
