

WELCOME TO THE 2020 FRESH MARTA MARKET SEASON!

In accordance with CDC and MARTA health guidelines, we are implementing new procedures. Please be patient with us, this new workflow is to keep everyone healthy and well.

COVID-19 SAFETY PROTOCOL

STEP 3:

All market staff will wear masks and gloves for your protection. We are sanitizing our work surfaces, market bins, and selves often so you may notice the smell of bleach. Don't worry, this won't make your produce taste any different!
