

Making Energy Savings Possible

"The AC did not come on as often this summer. Now that it is cold, I have set the thermostat lower and still feel comfortable in the house. I also do not feel those drafts we use to feel... The house feels more comfortable.

– Mr. Fricks from Rome, Georgia

"Once the insulation was done, I could definitely tell a difference... I am going to be your spokeswoman to tell others about this wonderful program"

– Mrs. Milton from Savannah, Georgia

"I can definitely tell a difference in how comfortable my home is now that it has been weatherized. Thank you, Georgia Power and HopeWorks, for the Weatherization Program and for the Energy Kit"

– Mrs. Brown from Brunswick, Georgia

Free Energy Improvements for Income Qualified Seniors

HopeWorks offers Georgia Power senior residential customers valuable information on ways to **save money on their energy bill** while keeping their home comfortable and efficient.

Income-eligible seniors can receive a complimentary in-home assessment analyzing potential energy-saving opportunities, followed by **FREE** home energy improvement services performed by a participating Program Contractor.

georgiapower.com/hopeworks | 404.872.0167 ext. 1
